## 2. Fees

Applicants are required to make full payment of both the enrollment fee and the tuition fee, hereafter collectively referred to as the "Fees," by the due date specified in the invoice (payment details) provided by the School. Failure to make timely payments may result in the cancellation of the booked course.

The Fees encompass the tuition fee, venue usage fee, costs for water, heating, and lighting, expenses for ingredients, teaching materials, interpreter services, and admission to field trips.

Please be aware that the Fees do not cover expenses such as round-trip flight tickets between the applicant's home country and Japan, lodging charges, transportation expenses between the lodging facility and the lesson venue, transportation costs for field trips, and other personal expenses.

## 3. Age restriction

Individuals aged 16 years or older are eligible to enroll in the School. However, for those under 18 years old, parental or guardian consent is required for enrollment.

## 4. Attendance

If students need to be absent from a lesson for any reason, they are required to inform our staff in advance. Please note that if students are absent from a lesson due to personal reasons such as illness, the School will not provide makeup sessions. Students must maintain a minimum attendance rate of 80% for all lessons. Falling below this threshold will result in the student being ineligible for a certificate of completion. Furthermore, if students persistently miss lessons, the School reserves the right to cancel the course.

## 5. Force majeure

The School shall not be held liable for the inability to fulfill its obligations due to circumstances beyond its reasonable control, including but not limited to fire, flood, war, acts of terrorism, storms, infectious disease outbreaks, government sanctions, and other events constituting force majeure. In such instances, no refunds shall be provided for services not rendered or any cancellations. Additionally, should our instructors take a holiday or sick leave, the School reserves the right to make changes to the instructors.

## 6. Courses and lessons

If the course booked by students is deemed unsuitable for their proficiency level, the School reserves the right to either transfer them to a more suitable course or cancel the current course and issue a refund.
